## HOW YOU CAN MAKE A DIFFERENCE:

It has been a great year of ministry through Baptist Collegiate Ministries at APSU. I'm amazed by how much Austin Peay continues to grow and our prayer is that our ministry will continue to provide relevant and creative ways of sharing Christ on campus. As we approach the end of the year, would you consider giving to enable BCM to provide impactful ministry? The BCM is developing leaders, growing students through discipleship, and living out the Great Commission by sharing the gospel both here on campus and around the world. The lives of students are being impacted in incredible ways! Through your prayers and financial gifts, you continue to help us reach students on campus with the message of Christ and also send students eager to impact the Kingdom for eternity on mission.

## OUR LEADERSHIP TEAM

Any gifts given or postmarked on or before December 31st are eligible to receive charitable tax credit for this year.
